

Requirements for Theatre Students In THEA 2823 or the Production Stream

1. A pair of CSA approved steel toed footwear. Boots are best because of ankle support, sneaker and hiking boots are fine. Server shoes for restaurant work are not acceptable. CSA approved means they have a green triangle on the that says CSA. You can buy them at Marks Work Warehouse, Canadian Tire, Walmart, Work Authority or special work wear stores in your area.
2. A pair of safety glasses and ear protection for your personal use. If you wear glasses you need something that fits over them comfortably. You can buy them at Home Depot, Rona, Lowes, Home Hardware, Princess Auto and Canadian Tire across Canada or any local hardware or building supply business like Kent in Atlantic Canada or special work wear stores in your area.
3. Old clothing you can move freely in and get dirty and possibly get paint on. Old jeans or pants with pockets are best. Leggings and yoga pants are not acceptable.
